Gemini

What-if: salary on Oct 2 (7 days late)

Calculated by Bridge

₩273,000 short on Sep 20

Largest gap · ₩503,000

Balance on Oct 6 · ₩2,197,000

Calculation details Completed

A one-week delay would leave your balance short by ₩503,000 on September 30. Your salary would arrive on October 2 to bring your balance to ₩2,197,000. Would you like to explore pausing adjustable payments to reduce that gap?
